## HOW TO APPLY

---

**1** Download the latest version of the DTE Energy Efficiency Program for Business Application and submit it as your reservation application.

---

**2** Find an authorized **Michigan Saves** contractor to help you apply for Michigan Saves financing. To find a list of authorized contractors, visit [MichiganSaves.org](https://MichiganSaves.org).

---

**3** A preliminary reservation letter will be issued by the DTE Energy Efficiency Program for Business detailing the incentives that are expected to be awarded to the customer. This letter must be attached to your application to **Michigan Saves** for financing; the actual interest rate will be determined by the value of awarded incentives. (The incentives will not be paid to the customer but will be assigned to **Michigan Saves** to “buy down” the interest rate.)

---

**4** Once **Michigan Saves** approves financing, a confirmation email will be sent to the customer, contractor, and DTE. Once DTE receives your **Michigan Saves** financing confirmation, an updated reservation letter will then be distributed. Please do not begin your project until you have received a reservation letter. You then have 90 days—or until November 30, 2020, whichever is first—to complete the project.

---

**5** A final application must be submitted to DTE within 60 days of completion of the project.
